Publicity is justly commended as a remedy for social and industrial diseases. Sunlight is said to be the best of disinfectants; electric light the most efficient policeman.

“When you tear out a man’s tongue, you are not proving him a liar, you’re only telling the world that you fear what he might say.”

— Our response to James McGibney’s attempts at taking our blog down.

Before the truth will set you free, it will piss you off!

This blog is all about everything related to James McGibney (who we don’t like), the company ViaView, Inc., and their revenge pornography / blackmail websites Bullyville.com & Cheaterville.com. As well as McGibney’s white supremacist / Nazi side-kick Jason Lee Van Dyke. We also offer our opinions about the quality of services offered to the public in the marketplace by ViaView, Inc., Klein Investigations & Consulting , and their employees / owners, as well as their attorneys.

If you have any story ideas on whatever McGibney / Klein / Van Dyke related subjects, please do not hesitate to let us know!

Also, if you feel we made a mistake or just gotten something plain wrong, let us know and give us the specifics so we can make it right.

If you truly want to be contacted, then give us legit contact info. If you don’t want to be contacted, but just offer only anonymous feedback, that’s okay. Just use obviously fake contact info so we don’t waste anytime trying to contact you. thanks!

We will be discussing the lawsuit styled *James McGibney vs. The Internets*, and we will be happy to offer some marginal legal advice to anyone being sued by McGibney (who we don't like), as well as legal advice to those who want to sue him back. Please just keep in mind that this legal "advice" is completely marginal, at best, and is only worth what you paid for it. For all you know, the person behind this post could be a drunken chicken pecking away randomly on someone's unattended laptop! Nothing substitutes for the advice of a lawyer YOU paid for.

For those of you new to *BV Files*, here is a guide to help you understand the players, who we don't like, and why:

1. ViaView, Inc. is a company incorporated in Delaware that is owned by seven guys involved in the construction industry in Las Vegas, Nevada.
2. Cheaterville.com is a revenge porn site that is run by ViaView. On Cheaterville people can post intimate photos and personal details about their ex-. If you find yourself posted on Cheaterville, you will be forced to pay them \$199 (or more!) if you want to ransom back your photos and get the post removed.
3. Bullyville.com is a hate speech / bullying website that is run by ViaView. While on the surface the website looks innocently enough, if you just barely scratch the surface by looking in its Articles section you will find some of the most vile and ugly hate speech one could ever imagine.
4. James Alexander McGibney. He is born in Oct. 31, 1973, from the town of Monroe, NY, who lives in San Jose, CA, and is married to Christina Orduna McGibney (born in June 12, 1981 in the SF-Bay area), with whom he has three small boys with. He is a liar, a thief, and a criminal – seriously. He has falsely claimed to having an Executive Education from Harvard Business School. He does have a FAKE college degree from Chadwick University, a well known diploma mill since shut down by the Govt., and has filed for Ch. 7 bankruptcy at least twice in recent years.

The owners of ViaView consist of the following individuals:

1. Dave Suder – West Coast President/CEO of KHS&S Contracting, who is also on the Board of Regents for Servite Catholic High School in Anaheim, CA. His son David Stone Suder is currently on trial in Orange County, CA for multiple counts of child rape involving VERY YOUNG CHILDREN set to begin in October 2016!
2. Mark Caspers – Senior Partner & CEO at Las Vegas based Integrated Capital & Development Solutions (ICDS).

3. Michael T. Carr – a man who calls himself “The Profit Prophet” (bet he didn’t see this coming?) and who is currently in hiding from his wife’s divorce lawyer.
4. Wayne P. (Pat) Hibbs – Senior Vice President at Ledcor Construction Inc. in Las Vegas.
5. Nikolas (Nick) Mamula – owner of a Las Vegas pre-fabricated stone products & tile company called T. Nicholas Co.
6. Scott Corey Ryan – a lawyer licensed to practice law in Arizona, Illinois, and Nevada who is employed as Senior Vice President & General Counsel for Tutor Perini Building Group in Phoenix, AZ.
7. James McGibney – serial resume fraudster & deadbeat with TWO Chapter 7 bankruptcies under his belt.

Q: What is an LOLsuit and why do you constantly refer to them here?

A: An LOLsuit is a portmanteau from taking “LOL” (Laugh Out Loud) and combining it with “lawsuit.” Thus, an LOLsuit is a joke lawsuit, or a lawsuit that is a joke. Note that it is a very real lawsuit filed in a real court. But the premise behind the lawsuit, or the legal reasoning expressed therein, is a total joke (i.e. makes one LOL when reading it).

We can also discuss the many personal and professional failings of Mr. McGibney, too (who we don’t like – seriously). Psst – We heard that he has a really small penis! But don’t say anything to him ‘cause he’s really self conscious about it (and he’ll probably sue you if you tell anyone we told you this).

I am not Thomas. We are not Thomas. We are sure that there is a Thomas (somewhere), and that he might have said some mean things on the interwebz, but he is not me, and I am not him, and he is not us. Nor are we Neal, Jo Jo, Lane, or Lora (all people whom McGibney has accused us of being).

OUR DEATH THREATS POLICY:

Death threats are not only allowed, but they are encouraged! The more horrific and horrible the better – seriously! In fact, we just might post some ourselves.

But if you start spamming the forum and/or posting something that seems stupid, ridiculous, or unfunny, it just might be 'moderated.' So try to be lulzy, m'kay?

SPECIAL NOTE REGARDING LEGAL / LEO REQUESTS:

Please feel free to say ANYTHING that you want one way or the other about the topic, or any other McGibney related topic (because we don't like him). No comments will be moderated! We would suggest using a VPN / TOR or something so no one can know what your IP is. See <https://www.torproject.org/>

Additionally, this website is being run off of a personal computer from a location overseas in a country that DOES NOT subscribe to The Hague Convention; thus, any of your TROs / Court Orders, subpoenas, TOS

complaints, DMCA take-downs will be completely and utterly ignored. But thanks for trying anyways!

“Speech is powerful. It can stir people to action, move them to tears of both joy and sorrow, and — as it did here — inflict great pain. On the facts before us, we cannot react to that pain by punishing the speaker. As a Nation we have chosen a different course — to protect even hurtful speech on public issues to ensure that we do not stifle public debate.”

— U.S. Supreme Court Chief Justice John Robert, *Snyder v. Phelps*, 562 U.S. 443 (2011).

Feel free to follow us on GAB @ViaViewFiles (<https://gab.ai/ViaViewFiles>)

though we hardly ever post anything interesting or defamatory there.

ALL CONTENT ON THIS BLOG, BEING A MIXTURE OF PARODY, SATIRE, AND LAME HUMOR, IS FOR ENTERTAINMENT PURPOSES ONLY AND NOT TO BE TAKEN SERIOUSLY. WHEN IT COMES TO PARODY, THE LAW REQUIRES A REASONABLE READER STANDARD, NOT A “MOST GULLIBLE PERSON ON FACEBOOK” STANDARD. THE FIRST AMENDMENT DOES NOT DEPEND ON WHETHER EVERYONE IS IN ON THE JOKE. NEITHER IS IT BOTHERED BY PUBLIC DISAPPROVAL, WHETHER TEPID OR RED-HOT.
